

Mira model L in black cladding

Mira

Little wonder

Sometimes simpler is better, and Mira's minimal, space-saving design has everything you need for a calming, enjoyable outdoor sauna without overcomplicating things.

Mira can be installed on terraces, balconies and smaller gardens, with the small, lightweight components enabling easy hoist-free assembly. The S and L size options, which can accommodate up to two and four users respectively, allow you to make the most of the available space in your outdoor area. There are also two colors available for the exterior cladding, with a stunning natural look and a sleek black finish to choose between.

Despite its carefully considered, practical design, this minimalist outdoor sauna doesn't compromise on style or comfort, with attractive LED lighting behind the backrest and a high-quality wood finish inside and out.

Moments of wellbeing

Key features

Two sizes available

The Mira outdoor sauna has a choice of two sizes; Mira S is designed to fit in the tightest of spaces while Mira L offers a little extra width for added comfort.

Two color options

Mira's exterior cladding comes in thermo-spruce with a choice of a natural or black finish.

Stylish design

Mira features an attractively painted and impregnated base frame along with thermo-aspen interior cladding and a large front clear glass.

Suitable equipment

Helo Vienna heater and control unit for Mira S model and Auroom x HUUM Core together with UKU Glass controller for Mira L model.

Interior LED lighting

High-quality embedded LED lighting behind the backrest adds an extra-stylish touch to the attractive Mira sauna.

Easy assembly

Lightweight components enable an easy hoist-free assembly
